The good folks down at RTD have been busier than a one-armed paper hanger with the hives these days, and here's why. Beginning September 9th and continuing through November, more than 100 miles of new bus routes will be added. Nine brand new lines will be started and 7 line extensions and service improvements will be added. In addition to a new local line in El Segundo, starting September 9th, several important lines will begin September 15th.

A new direct service between Watts and other South Central Los Angeles areas to Beverly Hills and Pacific Palisades will cut as much as 45 minutes from old travel times; not to mention the transfers involved.

Ramona Gardens will get new service to General Hospital and connecting lines.

The San Fernando Valley-UCLA Line 88 will be extended to connect Van Nuys with Los Angeles International Airport.

Last, but not least, the 89 line will be extended beyond Venice and Fairfax to a new loop at Adams and Washington Boulevard. As I mentioned earlier, these lines and changes have different starting dates, so I will be going into detail in future columns.

It's that time of the year again, school is starting and it's time to have junior buy his student I.D. card for reduced fare on the RTD buses. This can be a big savings to the family bank roll, so don't overlook it.

The Rapid Transit Design Car will be at Gate "G" at the County Fair. If you haven't seen it, be sure to take the time. I will be on the Car Saturday and Sunday, September 14 and 15th, if you would like to see who writes this stuff you're reading.

Q. Please tell me how I can get to Manhattan Beach from Lomita. I live between Crenshaw and Hawthorne on Lomita Boulevard. Mrs. L.J.

A. About the only way you can reach Manhattan Beach is find a way to Hawthorne Boulevard and Lomita, where you can catch the 101 bus and change in Redondo to the 103 or 51 to Manhattan Beach.

Q. Please send a timetable of the bus from Rolling Hills to Los Angeles. What is the fare, and how early does it start running? Mr. P.C.

A. You can get a bus as early as 5:35 a.m. and arrive downtown at 6:45. The fare would be 86 cents, one way.

Q. Can I get to the Forum in Inglewood from Hawthorne and return home after 11 p.m.? Mrs. O.L.

A. Yes, you can get buses as late as 12:30 a.m. for your return trip.

Q. Now that school is starting, we want to go to Disneyland. How do we accomplish this by bus from El Segundo? How long, one way? Mr. J.J.L.

A. Excellent idea! Might do it myself. From El Segundo take the 51 line to the RTD terminal and the 58 line to Disneyland. The trip one way should run about two hours and 45 minutes.
